**Today...** *Excerpted from Atlantic Provinces Odd Fellow and Rebekah Newsletter*

Today, I will delete from my diary two days; yesterday and tomorrow. Yesterday was to learn and tomorrow will be the consequence of what I can do today.

Today, I will face life with the conviction that this day will not ever return.

Today, is the last opportunity I have to live intensely as no one can assure me that I will see tomorrow's sunrise.

Today, I will be brave enough not to let any opportunity pass me by. My only alternative is to succeed.

Today, I will invest my most valuable resource; my time, the most transcendental work; my life.

I will spend each minute passionately to make today a different and unique day in my life.

Today, I will defy every obstacle that appears on my way trusting I will succeed.

Today, I will resist pessimism and will conquer the world with a smile, with the positive attitude of expecting always the best.

Today, I will make of every ordinary task a sublime expression.

Today, I will have my feet on the ground understanding reality and the star's gaze to invent my future.

Today, I will take the time to be happy and will leave my footprints and my presence in the hearts of others.

Today, I invite you to begin a new season where we can dream that everything we undertake is possible and we fulfill it, with joy and dignity.

Have a good day and a better one tomorrow!
