To All Members,

The Grand Lodge of California is pleased to announce the Higher Education Fund Committee. All members and relatives of members are eligible for consideration providing the following guidelines are met. The student must have a 3.00 Grade Point Average or greater (B average), and show evidence of enrollment in an accredited college or trade school.

An eligible student will be considered based upon a number of factors, including Grade Point Average for High School, and prior College (if applicable), class scheduling (minimum 12 units), state major course of study and give references. The applicant should be able to present a short essay on themselves along with expectations of their future through their course of studies. Any special additional items of interest such as Community Service will be reviewed in the Committee's decision.

All applicants are welcome to submit requests and are encouraged to do so at their earliest convenience. The committee will make every effort to respond promptly to each request.

In Friendship, Love, and Truth,

Finance Committee Chairman

Fraternally,

Jay R. Johnson
